Dreams Altered But Not Abandoned - The Teen Mom Experience

Synopsis

Dreams Altered But Not Abandoned - The Teen Mom Experience is a must read for any teenager faced with the enormous challenge of raising a child. In this book, Erica Mills-Hollis gives young mothers and mothers-to-be the hope, advice, encouragement and real-world guidance they need to be happy, healthy and responsible parents. Having been a teen mom herself, Erica knows first-hand the burdens and difficulties that lie ahead for pregnant teens. Her goal with Dreams Altered But Not Abandoned - The Teen Mom Experience is to give teen moms a practical, comprehensive guide that will give them the knowledge and preparation they need to succeed as a new parent. Dreams Altered But Not Abandoned - The Teen Mom Experience is not a book that condones or condemns teen parents. Rather, it's a book that offers teen moms steps they need to help them overcome the challenges that they are about to face. It's hard enough raising a child when you're an adult, so imagine raising a child when you're still wrestling with childhood yourself. Dreams Altered But Not Abandoned - The Teen Mom Experience includes a wealth of information to answer all of the perplexing questions that a teen mommy may be asking, from preparing for the baby's arrival and being smart with finances to completing a resume and balancing school, work, home and baby. Complete with tips from other successful teen parents, this is an important read for any soon-to-be teen mom.
