# Persian Cats - The Complete Owners Guide From Kitten To Old Age. Buying, Caring For, Grooming, Health, Training And Understanding Your Persian Cat.

## Synopsis

Written by an expert breeder and owner herself, Rosemary Kendall, writes in a fun and entertaining way about Persian cats while packing the book full of useful hints and tips about these cute and adorable long-haired cats. In addition, many top breed experts make contributions, including two special bonus chapters written by breeders who show their Persians. *Persian Cats - The Complete Owners Guide* is a must-have book for any responsible owner of a Persian kitten or adult cat. Just some of the subjects covered include: origins and history of the Persian cat, different types and colors, buying a cat or kitten, male or female, pros and cons, rescue, adoption, breeders, catteries, personality, socialization, spaying, neutering, litter training, bringing your kitten home, grooming, combing, bathing, cat shows, health, vaccinations, training, understanding your Persian, play and toys, what food and nutrition, Polycystic Kidney Disease (PKD), old age and what to expect. "Lots of useful facts and tips I didn't know. Plus it was fun, informative and an entertaining read." - Eileen Brown. "This was recommended to me by one of the breeders I visited in my search for a Persian kitten. An excellent book which thoroughly helped me in buying my kitten to taking it home." - Lucy Andrews.

## Customer Reviews

This book was very education, everything you need to know if you are looking to purchase a Persian cat or if you currently have one.

This book did have color photos. Not any demonstration of coat or eye color. The of the cat coat

would leave the buyer guessing at the most. I personally would have liked to have seen colored photos. This would help a buyer to distinguish the shade of the cat or kitten before purchasing one.

This book did not tell me anything I did not already know. After living with two Persian cats for a year, there is so much stuff that I wish this book had told me and that I have learned over the last year.

I didn't learn anything from this book I didn't already gather myself.

Good info for first time Persian owners!

You can never learn enough about this wonderful breed. I love mine. They are very smart, sweet and loveable. Thanks for your book .

I liked that the author was very serious about taking care of Persians. I would recommend this book to people who want to start a cattery or if you want to buy your own Persian. I chose this rating because it was a pretty good book.

This is a nice book for people who are new to caring for Persian cats.
