Motorhome And RV Retirement Living: The Most Enjoyable And Least Expensive Way To Retire

Synopsis

RVing – How to Make it Happen In this stunning new book, Jerry Minchey takes you on an eye-opening journey into the lives of retired RVers. He reveals how they make it work – from how to downsize to how to support yourself. This is not your typical RVing book that rehashes common knowledge. Jerry Minchey lives full-time in his motorhome, and he breaks the mold about RV living with this highly original book. The appeal and the dream of the RV lifestyle have not changed much since the first RVs were introduced shortly after 1900. Henry Ford and Thomas Edison used to take their motorhomes and go on trips together back in 1910. They loved the adventure. Jerry Minchey's brutally honest descriptions of the RV lifestyles described in this book will answer your most pressing questions as well as answer questions you probably never even thought to ask. You may find that retiring and living the RV lifestyle is just what you want to do. After all, the RV lifestyle is the most enjoyable and least expensive way to retire. See actual logs of what RVers are really spending. I think you'll be pleasantly surprised at the numbers. You'll find that you can live the RV lifestyle even if your only income is your Social Security check. In this book you'll also learn: What's It Like Living Full Time in an RV? Can I Afford the RV Lifestyle? What Kind of Rig Should I get? Can I Drive an RV? How Much Will an RV Cost? Pitfalls to Avoid & Buyer Checklist Planning for the Leap into Full-time RVing How to Get Rid of Your Stuff Pets Make Great Travelers – If You Know a Few Tips and Secrets What About Being Away From Family and Friends? How to Find the Best Campgrounds Boondocking – The Art of Camping for Free Towing a Car – 4 Wheels Down or a Dolly? Getting Your Mail, Voting, Where is Your Legal Residence, and Other Logistics The Internet – How to Stay Connected While on the Road Healthcare on the Road – With up-to-date 2016 Information Ways to Make Money With or Without a Computer The Emotional Aspects of the Full-time RV Lifestyle And a Whole Lot More Freedom, adventure, fun, stress-free, and relaxing are words RV owners frequently use to describe why they enjoy the RV lifestyle, and after reading this book, you'll understand why they feel that way. To say this book is rare would be a grave understatement. This book provides a unique opportunity to peer into the most intimate details of living the exciting full-time RVing lifestyle. For a real behind-the-scenes look at one of the most enjoyable and least expensive ways to retire add Motorhome and RV Retirement Living to your must-read list.

Customer Reviews

This is a great introduction to RV and retirement living. It is loaded with great ideas and further sources for RV living.

It is a good book; I found it useful, but was hoping for more information than it contained. This book would be great for those just getting into RV living.

Thank you for the many resources presented as we explore moving up the chain from our 24' towable to a class A or 5th-wheel. I clearly have a ton of research to do (because of you) and will stock up on reading material. So glad I read this book.

I enjoyed reading this from a full timer RVer's perspective. Vacationing from time to time in an RV and living in one full time are very different. Very informative and brought many different aspects of RV'ing to my attention that i never thought of. Highly recommended!

I have had campers before that were for hunting and fishing trips but full time living is a whole different animal. The information in this book has been exactly what I needed to know to see if this is an option for me. I had been thinking of going with a pull behind but was surprised at some of the other options and the benefits and cost differences. This is a must read if you are thinking of taking to the road and living the RV lifestyle full time or part time!

Chocked full of ideas and information. Excellent!!

Good common sense information with a lot of been there, done that knowledge. If you are considering this adventure, this is a great starting point.

Funny and interesting with a practical approach to RV living.
