When Nerds Travel In Packs: Sydney, Auckland, And Rotorua: A Travel Guide For Engineers And Those Who Love Them (Volume 1)

Synopsis

This book was written by and for the traveling nerd. Wander through the streets of Sydney or fly through the air on a zipline in Rotorua, all while seeing the world through the eyes of an engineer. While not overly-technical, this book includes geeky trivia and behind-the-scenes views of places that can only be truly appreciated by those with a love of valves and algorithms!
