# Multiple Sclerosis: A New Journey

## Synopsis

Today, the mystery of MS is unraveling - and people need the most current information more than ever before. Multiple Sclerosis: A New Journey takes you through the newest research and treatments to help you find a "straight course" for your disease. Inside this one easy-to-understand, cross-referenced, and compassionate volume, you will find everything you and your loved ones need to know about diagnosis, symptoms, progression, disease-modifying therapy, rehabilitation, disability awareness and more. You will find, in short, everything you need to lead a better - more independent - life.
