This is the first time I have given any series 5 stars for each book. It took me two days to read book one and book two, I just could not stop. The story was clean, real and heart felt. It made you smile, laugh, sad, cry, thankful, etc. I love the Christian fiction work of many others, but the work of Ms. Bowman has me blown away. Don't take my word for it, read it for yourself. I just happened to look on line and book three is out, just ordered it and going to read it now, RIGHT NOW!!!

I've read the first book twice, since my bookclub is now reading it. I immediately started the second book and I was not disappointed! What a story. I cannot believe a mother would give up her child for ANY amount of money, but it happened. So glad that Omar and Kristina worked out their lives. Starting the third book right away. My book club could not stop at the first book, so we' re reading and discussing all 3. Love your writing, Ms Bowman. Next I'll be reading the New Life Tabernacle series!

I have to say that it is not just about this title it's all three books that will be getting my praise. Fantastic, fantastic story. You laugh, you cry and you join in. It all flows. Once in a while you get something good to read - this is it - all three books flow. From book 1 where the Lord is working on restoring my soul, - anger, book 2 where my soul sings because I was once was lost now I am found - forgiveness and book 3 knowing that the Lord is with me my soul will be satisfied - faith. What a continuance. But that is life. Somewhere along the way you will get lost but knowing that the rock will always be there ......

This is the first one of the series that I read and only after reading it, learned I should have read "He Restores My Soul" first. It would have explained much that I could only guess at in this book. Some of the things that came to light in this book made me angry, but in this as well as the other two books in this series, I found myself Praising God for His presence in the lives of these characters. This book also gave a real glimpse into what happens when one obtains fame and fortune yet is not grounded in the knowledge of just how much God loves them. Couple that with a childhood of abuse and you have a recipe for disaster unless they can get back to the one who keeps them through it all whether they know it or not. Excellent book.

This book was awesome!!!Great job ... love how family stuck together through all the struggles. I love how no matter what God stays in control

She did it again! The story continued with the same quality that made me tear through book one. Book two seemed to pick it up a notch with the surprises...and heart-tugging drama. And the surprises...they were good! I look forward to your next books. Good read. The characters are interesting and the content keeps you reading. I kept wanting to know how the lives of the Langston family would turn out.

How dare you end the story like that!? all I know is my baby Xavier better be alive! Another great read. I can't wait to start book 3.
