Citrus Vol. 4

Synopsis

Citrus is an ongoing yuri manga series that offers a bittersweet love story coupled with gorgeous artwork. Ever since their first kiss, Yuzu can't stop thinking about Mei, her stern, sexy step-sister. Now Mei seems to have done a total one-eighty, ignoring Yuzu at every turn and giving her the cold shoulder. Yuzu can't understand why Mei is acting so distant but she decides to try and patch things up with her step-sis while on a school trip to Kyoto. However, she's not the only one who has her eye on Mei. Sara, a vivacious girl with boundless energy, happens to bump into Mei and falls in love with her at first sight. To make matters worse, Sara's twin sister, Nina, is willing to do whatever it takes to ensure that Sara gets what she wants. Can Yuzu fix things between herself and Mei, or will the twins break up their bond for good?

Saburouta is a Japanese artist best known as the author and artist of Citrus.

Waited forever for this - was not disappointed. Solid continuation to the series. I do hope that the September 2016 release date for Vol 5 is just temporary though - I don't think I'll be able to wait that long! ^^

Citrus: Secret Love Affair With Sister, Vol. 4 starts with Yuzu in a sexual situation with her step-sister, Mei. In the previous volume, the two stepsisters got close when Mei's grandfather died,

and Mei's father arrived. The third volume ended with them finally starting to hook up, but when Yuzu sees Mei like this, she just cannot go forward with the act. Mei goes back to her cold, distant self, and the series is back to where it started. So, enter another girl. Sara and Yuzu become friends, but Sara falls in love with Mei at first sight, making the two rivals for Mei's affection. I feel kind of silly for reading this yuri/lezu manga, but unlike many other romance mangas out there, it does seem to be going someplace. Heck, Boys Over Flowers has gone on for over a decade, and Nisekoi: False Love has gone on for over a dozen issues without anyone holding hands or really kissing. I have to admit it; I'm hooked. I like the large illustrations showing the girls' facial expressions, and I like how easy it is to read. ****

Poor Yuzu, she thinks she finally gets through to Mei but fear makes her push her away. On the class trip Yuzu meets an unusual set of twins and makes friends with them when she learns the older sister has a crush on a person she just met. The person happens to be Mei. Can the twins help Yuzu finally break her fears, or will she lose the one she loves forever. It finally came out and it did not disappoint. This could be the turning point for the girls, but I fear other obstacles are looming in the distance. I cannot wait for the next volume to see if there is a happy ever after, or heartbreak city.

Once again the author doesn't disappoint. Yuzu and Mei go through a new obstacle that I felt it was similar to that of Vol 3 but you will both hate it and love it. You'll see what I mean once you read the volume yourself haha I don't want to spoil anything. There's two new characters introduced in this volume that weren't that amazing but still cool characters. As always, the art is superb and the writing is great. If you are continuing to enjoy this series, then this volume you will love just as much. I'm excited to see what the future additions to this series will have!

This yuri book is absolutely awesome. I loved following every panel in this as the step-sisters bond grows. Of course all the cute/sexy scenes are the prime, the story is also good. It's not full of stupid cliché moe moments like many others. This is a good book that gets your blood hot and excited but also has a great story surrounding all of it.

It's just so kawaii

Not what I thought it was going to be. But, it was cute and others may enjoy it more than I did.

Tensions boil over at the school trip to a faroff town for our two heroines in a cliché way that is still engaging and original.
