Customer Reviews

I bought the 2016 version of this for my daughter for Christmas in 2015. She loves looking at a new fact everyday. I got the 2017 version expecting new facts but some of them are just recycled from 2016. My daughter still likes it but we wish there were some new things to learn.

It wasn't what my dad really wanted, but the facts are fun.

Bought for the boss he enjoys it

I'm giving this calendar as a Christmas gift to my oldest nephew. He is always watching YouTube videos with weird and odd facts and loves telling us off the wall facts he has learned. He's going to enjoy reading this everyday.

I like this calendar, however, I gave it 3 stars because the facts are a little too random. It's not as relevant as I thought it would be. I would choose a different one if I could.

We actually read these together as a family... useless facts, but pretty cool! e. Statue of Liberty wears size 879 sandal...

I bought this for my husband just because. He now starts conversations with me "Did you know...(insert OMG Fact).

Fun calendar. I put it out daily for all my staff to enjoy. It has become the coffee pot topic of the day!
