Beth Weber has taught Suzuki violin and folk fiddle since 1979. She has arranged most of the folk music she uses, to co-ordinate with other classical teaching methods she employs. She is the founder and director of The Sandpoint Violin Academy, in Sandpoint Idaho. Students in the academy range in age from five years old to adult and have performed her arrangements of international folk music on various tours in Washington state; Idaho; Montana; British Columbia, Canada; Arizona and in New York City at the United Nations.

Folk Dance Music of Norway is a well put together booklet with beautifully scored and printed music. Well crafted. Would like to see dual parts on every song and perhaps a cello line. Again, well done.
