Explore Mallorca: The Best Routes Around The Island

Synopsis

The Spanish island of Mallorca lures travelers in search of sunshine, sandy beaches, and sparkling seas, but its charms also include world-class art collections, dramatic mountain peaks, and rolling vineyards. Explore Mallorca is part of a brand-new series and is the ideal pocket companion when discovering this stunning Balearic island: a full-color guide containing 14 easy-to-follow routes, starting with three tours exploring the historical, artistic, and gourmet charms of Mallorca's capital, Palma, before taking in the Modernista architecture of Sóller, the glorious beach of Es Trenc, the celestial sanctuaries of Felanitx and Petra, and the charming villages of the island's interior. Insight's trademark cultural coverage perfectly sets the routes in context, with introductions to Mallorca's exciting cuisine, nightlife, and myriad outdoor activities. The best places to eat and drink are highlighted in each route and in the directory section, which also contains a wealth of useful practical information, including a range of carefully selected hotels to suit all budgets. All routes are plotted on the useful pull-out map, and evocative photography reveals why Mallorca is known as "the pearl of the Mediterranean."

The best routes around the area. --This text refers to an alternate Paperback edition.

Insight Guides wherever possible uses local experts who provide insider know-how and share their love and knowledge of the destination.

Well-thought-out and nicely organized routes - I used this book MANY times during my week in Mallorca. It was more helpful than the 3 other books that I also had with me. I just kept going back to this one and being pleasantly surprised by the the correctness of it and the nice suggestions that it offered. Was also happy for its light weight in my travel bags. (Some other books were too dense and heavy.) Enjoy!

I like this book a lot as is it detailed enough to actually find "hidden" or unknown places. It is also a smart way to organize your trip - with a day long side trip to explore every aspect of the island.

thanks
