Customer Reviews

Being from Albany Ga like Dave and knowing him it was an awesome read

I can only think that a 4 year old was given the job to convert this book to an electronic file. Trying to read it is almost impossible; pages are out of order, broken into pieces, sometimes obviously missing, and lots of duplicate pages. A waste of my money.

I had no trouble with the download. This book is an amazing story of a modern day Huck Finn with a little bit of Tom Sawyer thrown in. The author does what most of us wish we had the courage to attempt much less accomplish.
