Mozambique, 5th: The Bradt Travel Guide

Synopsis

The south coast of Mozambique is exceptionally beautiful & truly the archetype of palm-lined tropical beach nirvana & as well as boasting snorkelling, diving and game fishing to rank with the very best in the world' enthuses author Philip Briggs. The fifth edition of Mozambique leads intrepid travellers from the undiscovered north-eastern provinces to the coral island of Ilha do Mozambique, with its imposing fortress. Relax on a dhow, experience a sailing safari, admire Portuguese colonial Beira or follow suggested walks around the capital Maputo. With in-depth coverage of wildlife, culture and history, and practical advice on accommodation for all budgets, the Bradt guide leads the way.Â Â

Customer Reviews

‘Best guidebook.â™The Sunday TimesÂ ‘[Philip Briggs] is clearly not only an expert on travel in Africa but also someone who cares deeply about the countries he is visiting.â™Traveller MagazineÂ ‘The guide reads well and contains all that an enterprising traveler or backpacker might need in the way of information about this little-known country.â™Library ReviewÂ ‘The Guide to Mozambique is both readable and informative. The information is bang up-to-dateÂ – and so is the style. A book for discoverersÂ – grab it!â™Â SA Tourism

Great travel book! Helped plan my trip to Mozambique! Bradt travel guides are amazing.

I was unlucky enough to have to visit Mozambique with the previous edition of this book, which was (very poorly) updated by a different author and had numerous shortcomings. Better late than never though, and I was surprised to see that in this new edition the original author Philip Briggs has once again produced a guide in line with the quality of his other titles on Africa. Practical information is now much more thorough, and there is far more detail on wildlife and national parks. He has also successfully resisted Bradt's switch from giving only vague categories, if at all, to indicate rates of accommodation, and this book, like all others by this author, still gives you actual prices like LP. I still feel the book is still a bit overly enthusiastic about what I personally found one of the least rewarding countries in the region though - I even found Mozambique's beaches far less impressive than guidebooks might lead you to believe. The country's most unique feature in my eyes is its Portuguese colonial heritage, and that is well-introduced here. I wish I had already had this edition with me on my trip!

We are lucky to have been travelling in 4 African countries covered by Bradt guidebooks from author Philip Briggs. As with his other guidebooks, Philip Briggs is a very dedicated writer, and we believe these guidebooks are excellent. Mozambique is a beautiful country. We loved the people, and we enjoyed our visits to some eco-tourism projects, that were mentioned in the book. Take this guide when travelling to Mozambique!

The book contains a good overview of the history of Mozambique as well as useful hints for tourists in relation to money, customs, wildlife, etc. The province by province guide was very good.
