Grilled Cheese Kitchen: Bread + Cheese + Everything In Between

Synopsis

Melted cheese between slices of toasted breadâ€”the ultimate in comfort food. This mouthwatering cookbook features 39 grilled cheese recipes created by Heidi Gibson, winner of seven grilled cheese championships and the co-owner (with husband Nate) of the American Grilled Cheese Kitchen in San Francisco. The classic Mousetrap is dripping with three kinds of cheese. The Piglet wows with its thinly sliced ham and sharp cheddar. And grilled cheese makes a great breakfastâ€”just add an egg! With 40 additional recipes for great accompaniments and side dishesâ€”including hearty soups, many varieties of mac & cheese, spicy pickles, and tangy spreadsâ€”plus tips on choosing the best bread and cheese and techniques for grilling each sandwich at just the right temperature, anyone can create the perfect grilled cheese sandwich.

Wife-and-husband duo Heidi Gibson and Nate Pollak own the ever-popular American Grilled Cheese Kitchen based in San Francisco. Antonis Achilleos is a food photographer based in New York.

I got this for my son for Christmas, and other family members were writing down recipes from this book! There are some really great and interesting combinations/ideas for "grilled cheese."

Great cook book from one of my favorite places to eat in San Francisco. I love the variation in

recipes; and there's more than just grilled cheese! However, I wish there were more pictures of the finish grilled cheeses. I like to compare how mine looks to the professionals.

Two words. Melted. Cheese. DELISH!

What is not to love about this book of scrupulous comfort food recipes. I can only say WOW! for the mac and cheese recipes. So glad I have this one on my shelf. Looking forward to exploring many more of the recipes included in this one.

I love the book and recipes; however, the print is so small that it is very hard to read. Maybe your next printing of the great book could have larger print.

One of the best cookbooks I have read. These chefs know their product - grilled cheese - and the recipes are spot on! Thanks!

GREAT RECIPES

So much more than a grill cheese cookbook- The soups are wonderful the sandwich combinations are great.
