Customer Reviews

If you're not in a band, the back up tracks are great. And he tabs are good. Thanks.

Like all the other Guitar Play Along series from Hal Leonard this contains a songbook and a CD that has tracks with and without guitar. The CD is the strength of this product. The production and clarity of instruments is fantastic, so it is a joy to play along with these definitive Police tracks.

Unfortunately the songbook is a half baked effort at best. The songs tablature is sparse, which there simply is no reason for since the same publisher has other Police songbooks containing more

accurate tablature. For instance there is no solo on "Message in a Bottle" and "De Do Do Do, De Da Da Da" has no accents on the verse section. There are no fills on any of the songs. Yet it is standard for the Guitar Play Along series to have those sections included. 2 1/2 stars for the CD, 1/2 star for the book.
