Wired: Student Edition Of The Air I Breathe

Synopsis

What You're Wired For Athlete or musician, quiet or "the life of the party" you are unique. There is no one like you on the planet. But your life has a common thread that is true of all people: you are wired for worship. Not just any worship, but for that of your Creator! That's what this book is about • discovering your purpose and learning how to fulfill it. Geared for teenagers and college students, *Wired* is designed with pages that teach, challenge, and connect as you dig into Scripture and learn about your created purpose. This interactive student edition of *The Air I Breathe* includes a thirty-day worship experience as a guided personal journey that discloses the depth of God's character and how to know Him more intimately. Ideal for use in small groups, an accompanying leader's guide is also available. *Story Behind the Book* "I love teenagers. In fact, while writing this, I'm on my way to spend four days with more than 1500 of them at camp! My passion to see young people awaken to a lifestyle of worship that goes far beyond singing songs, coupled with the need for small-group material, stimulated the idea for *Wired*. I want to equip youth workers with a resource that can be used in small groups, large Bible studies, or Sunday school classes. I pray that *Wired* will encourage teens everywhere to a lifestyle that reflects God's greatness to the world."

Louie Giglio, a passionate communicator and innovative thinker, is a bestselling author and the founder of Passion Conferences, a collegiate movement calling people around the world to lives that make much of God. As a part of the Passion Network, Louie also heads sixstepsrecords, a worship label partner of EMI CMG. Committed to cutting-edge, God-focused music, sixsteps is home to familiar Passion players David Crowder, Chris Tomlin, Charlie Hall, and Matt Redman. In addition, Louie speaks throughout the world for various events. Louie and his wife, Shelley, live in Atlanta, Georgia, where they attend North Point Community Church.

I have used this book with my middle school and high school worship teams over the last six years. This book captured the heart of worship for me and my students. I especially like the 31 Days of Praise on the flip side of the book for your personal walk in seeking to know God deeper. Make sure your students get the actual book if you want them to do the 31 Days portion as the Kindle version does not include that section.

Amazing devotional. Really helped me read more into the scriptures than before.

As a children's director at a non-denom church, this is the best book I've read on defining/understanding worship.

This book it's an amazing tool to experiment and learn more about worship in a youth group! We have been studying this for the semester and it has been a blessing to everyone. Thank you!

This book is right to the point. I love the backside (flipside) of the book that gives you a line of connecting words of the names of God. Awesomely the other side of book is a day to day use of the scriptures where you see God and who he is in the scriptures studying. Get the book it is well worth it.

This is a great little devotional focusing purely on worship. I have used it with our worship team ... Excellent stuff!

This was a birthday gift on .com requested Wishlist; thus the individual wanted it. Personally, Louie Giglio's other dvds are fantastic and the birthday person loved this one.

I love this book, or should I say 2 books in one! If you want to know what is missing in your life, read ! Can't be said more simply, more truthfully. Anything by Louie Giglio is a great read or a great watch! (videos) And if you flip the book over there is a great person study/journal of some of the psalms. Designed for teens/college, but great for any age. IF you need something to get you into the habit of journaling and reading your Bible, this is a great tool!
