# George R.R. Martin's A Clash Of Kings #1

## Synopsis

George R. R. Martin's A Song of Ice and Fire saga continues in the official comic book adaptation by Dynamite Entertainment! Following the events of A Game of Thrones, Westeros is embroiled in civil war, while Daenerys Targaryen -- as heir to the Targaryen dynasty, seeks to reclaim the Iron Throne. Arya, with the help of Yoren, a brother of the Night's Watch, has escaped from King's Landing, but the road to the Wall brings its own dangers. Meanwhile, Sansa attends a tournament on the sadistic King Joffrey's name-day, and Bran, in Winterfell, suffers from strange dreams of wolves...

## Customer Reviews

Just want to say that I love the comic book adaptations of the Ice and Fire series and I think it's obnoxious that people want to haggie George about hurrying up with his next book in the series. Trust me, I understand that desire to be impatient but George is a busy man and with the heavy demand in regards to the tv series and all other aspects people should back off and respect the work he's already put out there. Calm down and enjoy the piece for what it is.

The comic book versions of the ASOIAF series are a fun and inexpensive way to enjoy your favorite characters in Westeros and Essos. I buy my copies from my local comic book store and they're only about \$2 each.

Wouldn't think of helping this money grab. Martin, finish the A Song of Ice and Fire book(s)!

I paid over 10 with the 1st chapter . it's sucks.. don't waste your money, should have more chapter.  
Thanks.

These books are crap.He is taking advantage of us who love Game of thrones by selling comic books instead of writing what we want. Hey Martin will, don't you have enough money? It's time for You to write the next game of thrones book "winter is coming."I fully doubt he even reads these reviews Quit ripping us off by writing these stupid comic books. PLEASE!WILLIAM LOHR,  
ASHEVILLE NORTH CAROLINA

Don't waste our time with this garbage. Finish writing Ice and Fire. Thumbs down!!

Who cares about comic books? Need the money? Finish the novels and you'll get a lot of it, some from me.
