Lost In Tokyo: A Romantic Travel Story With Mystery And Suspense (set In Tokyo, Kyoto, Nara, Kamakura, And Nikko, Japan)

Synopsis

Don't miss this powerful, romantic story with shocking surprises that you'll never see coming! Nineteen-year-old Erin is hoping that her visit to Japan with her best friend, Adam, will be life-changing. When Erin was just four years old, her mother mysteriously vanished. Erin's only clue to her mother's possible whereabouts is a hand-written itinerary for a dream trip to Japan, a trip that Erin doesn't know if her mother ever had the chance to take. Erin has decided to carry out this itinerary, believing that it might help her find her mother. But Erin's trip won't be going according to plan. Hours after they arrive in Tokyo, in a jet-lagged fog, Erin and Adam end up in bed together. While struggling with the tension that now dominates their once innocent friendship and the trauma stirred up from Erin's painful past, Erin and Adam visit the places on her mother's list. As they explore the wonders of Japan, Erin finds herself haunted by strange "memories" that seem to belong to her mother. Could these memories be real? If so, perhaps her mother can be found.

Praise for *LOST IN TOKYO*: "Full of heartbreak, loss and finding yourself while falling in love with your best friend. I would absolutely recommend this book and I have to several people already." -- Amy, Goodreads "There were so many surprises I was on the edge of my seat." -- Kathryn, Goodreads "Beautifully written ... emotional adventure. Quite a few scenes brought out the goosebumps." -- Denise, Goodreads "Japan as a backdrop was such a unique story setting. It was both peaceful and exciting at the same time." -- Amanda, Goodreads "I love Erin, I love everything about her. Her passion to follow her heart and figure things out is amazing." -- Debbie, Goodreads "Traveling throughout Japan is a dream of mine and this book created a sense of familiarity with places I've only witnessed through (manymanymany) videos." -- Em, Goodreads "I absolutely loved this book! I couldn't put it down. The relationship between Erin and Adam was amazingly sensual and slow building. It kept the pages turning like crazy. And the way the plot kept unfolding, I never knew what was going to happen next. Lynne's use of imagery was fantastic, the characters were always the main focus, you felt like you were right there with them." -- Amanda, Goodreads "I was completely enthralled with the vivid descriptions of Japan. After reading this book, I would love to plan a visit!" -- Sara, Goodreads "I did one of those 'start from the beginning' when I finished it - I wasn't ready to leave the world that Lynne had created!" -- Janet, Goodreads

If you love inspiring young adult or new adult romantic contemporary novels, don't miss this powerful read! *LOST IN TOKYO* will appeal to readers of *IF I STAY* and *JUST ONE DAY* (by Gayle Forman), *180 SECONDS* (by Jessica Park), *ALLIE AND BEA* (by Catherine Ryan Hyde), *THIRTEEN REASONS WHY* (by Jay Asher), and *REASON TO BREATHE* (by Rebecca Donovan). Customer Reviews

This book was amazing. I felt as if I was traveling with them. I couldn't put it down. I read it in two sittings and wasn't disappointed. Well written and good story.

Cute love story. Not great about travel in Japan

SOMETIMES YOU HAVE TO ABANDON YOUR COMFORT ZONE TO FIND THE PLACE WHERE YOU BELONG.Nineteen-year-old Erin is hoping that her visit to Japan with her best friend, Adam, will be life-changing. Fifteen years ago, Erin's mother mysteriously vanished. The only clue she left behind is a handwritten itinerary for a dream trip to Japan, a trip that Erin doesn't know if her mother

ever had the chance to take. Erin has decided to carry out this itinerary, believing that it might help her find her mother. But her trip won't be going according to plan. Just hours after Erin and Adam arrive in Tokyo, in a jet-lagged fog, they end up in bed together. While struggling with the tension that now dominates their once innocent friendship, Erin and Adam visit the places on her mother's list. As they explore the wonders of Japan, Erin finds herself haunted by strange "memories" that seem to belong to her mother. Could these memories be real? If so, perhaps her mother can be found. LOST IN TOKYO is a young adult / new adult contemporary romance novel that will appeal to readers. The book gives us a travel guide of wonderful things to see and do while on vacation in Japan (featuring attractions in Tokyo, Kyoto, Nara, Nikko, and Kamakura) wrapped in a story of healing and hope, with an unexpected, but satisfying, ending. I thought this was a really great book. It is full of twists and turns and surprises. I also found the story to be a bit complicated at times. Did Erin get her miracle... to find out the answer you have to pick up this book and read it. I would recommend this book to anyone who loves contemporary romance and young adult / new adult books.

** I received a review copy from the author in exchange for an honest review. ** 'Lost in Tokyo' is an great continuation of Erin's story from 'Lost in Los Angeles'. The storyline was such an emotional adventure that was also beautifully written. Once I started reading this book, I couldn't put it down. I was drawn into Erin's journey as she sought out her mother. But what she left with was so much more. Quite a few scenes brought out the goosebumps. Adam was a great friend whom also had quite an emotional time. This book, for me, was so much more than just a story. It was full of pain, happiness, anger, love, hope and friendship. From Erin- 'When I came to Japan, I was lost. I'm not lost anymore.' A great add to your tbr list. Recommended read.

This book was absolutely breathtaking. It was so vivid I could completely visualize every scene like I was right there with Adam and Erin on their journey. It was full of heartbreak, loss and finding yourself while falling in love with your best friend. I would absolutely recommend this book and I have to several people already. This is a 1-click author for me and I bet she will be for you too.

Wow wow wow!! I thought author Jenny Lynne blew my mind with Lost in Los Angeles but LOST IN TOKYO was even better. Erin captured my heart in the first book but in this one she won me over from the very first pages. She goes to Tokyo with her bud Adam to live out her mother's bucket list. As she follows the list she feels closer than ever to her mom who left her when she was a small

child. Adam is such an awesome friend to Erin and I couldn't love him more!! My heart was beating like crazy reading LOST IN TOKYO. I was swooning like mad for Adam, I was happy and giggling with Erin. Jenny Lynne had me right in Tokyo with the two of them. I will tell you that the ending is without a doubt perfect. What an awesome discover Erin makes! Well done Jenny Lynne. I can not wait to read more by this awesome and heart tugging author.

This is a story of a young woman who is trying to figure out who she is and put herself back together. This is the 2nd book in the series but can be read as a stand-alone. I love Erin, I love everything about her. Her passion to follow her heart and figure things out is amazing. Even when things are dark she pushes through and things seem to all come together. I love how she heals herself and finds what she needs to keep going. As in life, it's just great when you figure out that your best friend is also your soul mate. Love the detail of Japan, found myself googling places so that it would be more real to me. Very enjoyable read. My emotions stayed on a high alert • waiting to see what would happen next.

I absolutely loved this book! I couldn't put it down. The relationship between Erin and Adam was amazingly sensual and slow building. It kept the pages turning like crazy. And the way the plot kept unfolding, I never knew what was going to happen next. Japan as a backdrop was such a unique story setting. It was both peaceful and exciting at the same time. Jenny Lynne's use of imagery was fantastic, the characters were always the main focus, you felt like you were right there with them. I will definitely be reading more books from this author.
