# Hedda Gabler (Hughes) - Acting Edition

## Synopsis

From Munich, on June 29, 1890, Ibsen wrote to the Swedish poet, Count Carl Soilsky: "Our intention has all along been to spend the summer in the Tyrol again. But circumstances are against our doing so. I am at present engaged upon a new dramatic work, which for several reasons has made very slow progress, and I do not leave Munich until I can take with me the completed first draft. There is little or no prospect of my being able to complete it in July. --This text refers to the Kindle Edition edition.

## Customer Reviews

This is not the recent translation of "Hedda Gabler" by Doug Hughes. It is an ancient translation by Edmund Gosse and William Archer. You can probably find the identical text in paperback for \$1. I've only had my Kindle since X-mas 2009 and this is already my third encounter with deceptively labeled translations of plays. I am stunned that /Kindle would allow such sloppiness. This is unprofessional and maddening. In one instance the preview showed the modern translation of a play I desired, but the purchased and downloaded e-book was archaic, obsolete trash. If you get the wrong product do not hesitate to use Kindle's return policy. Make sure you let them know, by e-mail or on the phone, that you don't like being bamboozled.
