Customer Reviews

we enjoy listening to all the Adventures in Odyssey

Our family loves Adventures in Odyssey, and this album is no exception. Marriage proposals all over the place, a vicious political campaign, and much more are in store for Odyssey in this great four-disc collection. We look forward to hearing more!

Our family love listening to these stories especially when traveling but now and then we sit in the

living room doing our various projects and put on a cd to enjoy rather than the TV. The stories always hold a valuable lesson but more importantly they are funny, interesting and very well done. We don't push our kids to listen, they ask for them all the time. I highly recommend Adventures in Odyssey.

I chose this rating because my experience was excellent. I have like everything about this product since it came as described and came quickly. I would recommend this product to everyone.

Very Good! I love odyssey, audio dramas and anything clean. The entire family will enjoy this. * Two Thumbs Up *

I enjoy any stories involving the Barclay's. Also, the introduction of Jason Whittaker. Somehow, the stories involving with Jason are pretty good. He brings in adventure and also a perspectives that young adults and grown up's can get into. I really enjoyed "Unto Us a Child is Born", an AIO Christmas story. Very good!!
