The Healthy Homemade Dog Food Cookbook

Synopsis

The Healthy Homemade Dog Food Cookbook has recipes for all dogs - including healthy dogs as well as dogs with various health conditions. It includes vegetarian, gluten-free and special occasion dog food recipes, BARF diet advice, general dog health and nutritional considerations, including what you should never feed your dog to keep it happy and healthy. Check out the recipes for diabetic dogs, dogs with heart conditions, food sensitivities and allergies, and learn how to make tasty dog biscuits, stews, fishcakes, cinnamon apple crisps, dehydrated food, christmas and thanksgiving dog food recipes, and many more recipes your dog will absolutely love. This book will even show you how to make natural shampoo and conditioner for your best pal. Written by a chef and dog-lover, the "Beg Worthy" recipes in this cookbook will have them beggin' for more! Every good dog deserves to be spoiled. This book goes out to all the loyal companions out there that give so much but don't expect much in return - only love, and hopefully, some tasty food! - Charlie Fox

Customer Reviews

This is an excellent book. Not only will you learn how to make homemade food for your dog, but you will also learn a lot about your dog's dietary needs. There is even a chapter in this book that compares commercial dog food to homemade dog food. Many times commercial dog food may not be the best thing for your dog. This ebook has a variety of excellent recipes and all of them are healthy. My dog's favorite recipe is the pork and apple pops. Download a copy today. Your dog will not be disappointed and neither will you.

This book is right on time. All over the news there are articles about the crap that we as humans are fed. If we are not looked after, then let's imagine what the dog food companies are feeding to our dogs. We buy it every week because it's convenient and we can simply pour it in to the bowl, but we can do better by our 4 legged friends. This book is great! It includes a lot of recipes for all types of dogs. I tried quite a few - even some that were not specific to my dog and he loved it and I felt better about doing it. Add this to your bookshelf for dog's sake.

What I really love about this book is that it gives you the feeding proportions at the bottom of each page under the recipe. I bought 2 other cook books for my dog but I could not find how much to feed and every recipe may not have the same amount of calories so it's important to know.

Excellent information. Simplistic, concise explanations and great recipes. Does miss the opportunity for doggy deserts such as doggy ice cream.

I cook my dog's treats and food and decided to give this cookbook a try. My dog is very picky so some of the recipes I had to liven up with Halo's Food Dressing for him to eat. Overall the recipes are fairly to follow and are in grams or ounces measurements. I'm happy I found this on as it gives my dog a break from the usual brown rice and chicken.

Good doggy cook book, but it would be even better if it included calorie information, serving size for different dogs, nutritional information, and information on obtaining obscure ingredients (ex: 7 chicken livers).

I purchased this book because it had a section for dog with allergies. Unfortunately, there are no useful recipes in this section. Also, none of the recipes contain nutrition info, which is important for my senior dog watching his weight.

The author was apparently British because some of the ingredients were a little odd. But, assuming minced beef is the same as our hamburger meat, I think I'll be fine following the recipes. I have been cooking for my dog for a while now and look forward to changing things up for her. All the recipes seem to be healthy and I know she will be happy with the variety.
