Thunder Of Heaven: A Joshua Jordan Novel (End Series, The)

Synopsis

From Tim LaHaye, creator and coauthor of the world-renowned Left Behind series---the most successful adult fiction series ever written---and Craig Parshall comes this epic story ripped from the headlines of world events and filtered through Scriptural prophecy. Set in the very near future, Thunder of Heaven chronicles the earth shattering events which eventually lead up to the Apocalypse foretold in Revelation. This story will appeal to the tens of millions of readers who have already made Tim LaHaye a household name and one of the bestselling authors of all time. Thunder of Heaven is a return to form for Tim LaHaye, whose previous prophetic fiction series, Left Behind, has sold roughly 70 million copies. Those who have read Left Behind and who are eager for more highly charged fiction based on biblical prophesies will embrace Thunder of Heaven for the same reasons that turned Left Behind into the world's most celebrated publishing phenomenons of the last two decades.

"Tim LaHaye's books always entertain, educate and thrill but THUNDER OF HEAVEN takes it to a new level. I never thought the End of Days would cost me so much sleep!" ---#1 NYT bestselling author Glenn Beck"Dr. Tim LaHaye writes about the future with the kind of gripping detail that others would use to describe the past. I've been reading Tim LaHaye's books for over thirty years, but Thunder of Heaven may be his best yet!" --Mike Huckabee, Former Governor of Arkansas"Tim LaHaye writes about the prophetic future with such accuracy and passion that once you get started

reading what he has written, you do not put the book away until it is finished! In our generation, he has led the way back to a proper appreciation of the prophetic writings of Scripture. Everywhere I go, I meet someone who has read one of Tim's books and been blessed by it. This book will continue that tradition!" --Dr. David Jeremiah, senior pastor, Shadow Mountain Community Church, founder & CEO, Turning Point --This text refers to an out of print or unavailable edition of this title.

Boring! Too many technical references. Names too hard to pronounce making recall of the character difficult. Too drawn out. Characters too similar to Left Behind. Think maybe the co-author thought paring up with Tim LaHey would help make this a best seller. NOT! I bought the series on the brief info from Bookbub. Once I start a book it is so hard for me to not read it thru to the end. I muddled my way thru book one in hopes book two would get better. NOT. :(Usually I can read one book in one week (I'm retired and disabled so reading and tv are mostly my world), but it has taken me like two months to get into the second book..

Normally I love to read books by Tim LaHaye but this entire series was such a let down! They never "grabbed" me and forced me to read until I fell asleep.The constant talk about how rich the Jordan family is was way over the top. Also there are entirely too many characters to keep up with. I found myself reading and wonder who this person was. There were some good ideas on how the mark of the beast would come about but overall it was a waste of my time and money. I usually keep all my books and re-read them but these are going to be sold!

This was another exciting book. It is well written and full of suspense. I would recommend this to all Christians and those who enjoy plots that make you sit up and take notice. This was a real page turner. I couldn't put it down.

I have read several books by Tim LaHaye and continue to be enthralled. I found this story a little more difficult due to military jargon but still very readable. Following the story thru the Bible books of Ezequiel and Revelation is fascinating. Loved it.

This book by alWays is exciting, interesting, and frightening. He does an excellent job of drawing the characters and building a Biblically accurate plot.

The diversity of characters helped them seem more realistic. And considering how many players there were the author made it so you could keep them straight. Character development was well done. Having four of the main characters being of the same family detracted from the plausibility but did make the emotional end work better. Always interesting to read another possible scenario of end times so you realize we really have no idea how it will LI play out.

I hope and pray for this outcome from God. I almost hated for the book to end, but like how it did. Highly recommend it to everyone. Mary Botts

LOVE IT!! A great addition to Left Behind series! The players are choosing sides and it will not be a good future to live in! Take these steps to be redeemed!A: admit you are a sinnerB: believe that Jesus is the son of GODC: confess Jesus as your saviour and reach out to learn more about this mercy!! God Bless You!!
