Visitor's Guide To Malawi (Visitors' Guides)

Synopsis

A tourist guide to Malawi, the country described as "the warm heart of Africa". Malawi's lake is classified as an inland sea and boasts its own freshwater national park. Lakeside resorts offer up-to-date facilities while the visitor who prefers to rough it can camp in several idyllic locations. Wildlife enthusiasts can explore five national parks and a number of reserves where game roams in the wilderness, and there is trout fishing, birdwatching, orchid hunting, mountain climbing, and curio buying. This revised edition reflects new tourist facilities and alterations to those described before. Other work by the author includes "Visitors' Guide to Zimbabwe". --This text refers to an out of print or unavailable edition of this title.
