Customer Reviews

You don't need to buy four books with this four-state travel guide in hand. Loop tours from Chattanooga around Tennessee, North Carolina, Georgia and Alabama offer so much you'll find yourself repeating the trip, but varying the focus each time you go. Most of these Great Trips take advantage of Scenic Highways and Poke-and-Plum Places. No hurrying now! Remember, "the shortest distance between two points is no fun!"

I cut and taped four state maps together and drove over 6,000 miles as I conducted my research for this book. My note-taking was done with a video camera, so I could remember in detail the look of each place. Many of the trips are on designated scenic highways and picturesque country roads, but the freeway is always nearby if you need to get home in a hurry. Nashville, Knoxville, Atlanta, and Birmingham mark the corners of the area I covered, and I included Chattanooga attractions too.
