## Customer Reviews

At least one of the pages was misprinted! It jumps from nov 15-20 and then the 16th is on the next page (see pic). I had already started filling it out (teacher who needs to be super organized) so I don't want to send it back and redo it.

I got this as a gift for my wife and she loves it! It has a calendar for each month plus plenty of room to write notes for each day. She also loves the fun holidays that are included on the calendar, like Make a Friend Day and National Popcorn Day.

One of the page (Nov 16-19 and nov 20-22) were flipped flopped on the page..For example, after Nov. 15 it was Nov. 20. I didn't like the fact how I had to go and make sure all the pages were in the

right order...shouldn't that be a given? Besides the page mix-up, the planner is cuter than I thought it would be...but it could benefit by having the days of the week written next to the dates.

Everything is great until July 2018. Then the weekly portion skips July 6, 2018 so all of the dates are off after that. Thank goodness this happened in the last full month on the calendar so it isn't a huge deal. Still pretty annoying though.

I love this planner, it's very cute and I love the space it gives me to write daily tasks BUT I glimpsed over the November months, and they're OUT OF ORDER! It goes from November 15, to November 20, 21, 22, 16, 17, 18, 19, and then 23. I checked the other months and they seemed OK (but who knows, there could be more mistakes). Really hope they fix this.

I really like this planner and how they set up the individual days for list making. The only problem is the dates in November were printed out of order. Nov. 16-19 was printed a week after the 20-22. I corrected it with a pen, but it's a bummer it wasn't printed correctly.

I received this as a gift and absolutely love it.

This planner was bigger than expected but will work great for college planning. Pages are like coloring book pages so some marker pens bleed through easily. Other than that it is great!
