The Rights And Responsibilities Of The Modern University: The Rise Of The Facilitator University, Second Edition

Synopsis

This substantially revised and updated second edition includes discussion of recent judicial, legislative and regulatory college safety mandates, modern risk management and prevention practices, and the explosion in college safety and wellness issues (suicide, active shooter violence, sexual assault, etc.) while remaining faithful to the core vision of the first edition. The second edition also addresses the disturbing rise of a new nemesis of the facilitator university—“Compliance U.” Crushing new regulatory burdens significantly impact academic freedom and autonomy, and may interfere with the facilitator’s chief goal of creating a sustainable, reasonably safe and responsible college environment.

Customer Reviews

Peter Lake is the Charles A. Dana Chair and Director of the Center for Excellence in Higher Education Law and Policy at Stetson University College of Law.

Good overview of legal challenges in higher education.

Peter Lake does an amazing job advocating and describing the evolution of the Facilitator Model in university settings today. Definitely a fantastic buy!
