Where Is My Butt?

Synopsis

Do you know where your butt is? Morty the penguin has no idea! He's pretty sure he has one, but where IS it? So he does what any reasonable penguin would do: ask. But no one in the South Pole can help—not the other penguins, not the polar bear who shouldn't be there, and definitely not the seal who wants to eat him for dinner. So Morty goes on a wild trip from his frozen home to the steamy South American jungle and finally to outer space to find the answer. And Morty finally does . . . in the most unexpected way. His crazy adventures will make kids laugh their butts off!

Donald Budge is the winner of the 2010 Blue Mesa Fiction Contest and a Pushcart Prize nominee. His stories have appeared in the Conium Review, Prime Mincer, and Bang Out, among others. He has worked on animal reserves, where he's met many intriguing ostriches and wondrous wallabies, in Israel and the United States. Currently Donald lives in Boston, MA with his faithful Yorkie companion. *Where Is My Butt?* is his first children's picture book. Daron Parton is a New Zealand-based illustrator from the United Kingdom. He graduated in 1990 from Central St. Martin's School of Art in London and has been working as an illustrator ever since. Daron has worked with Walker Books (Australia & UK), Penguin Random House (Australia),

Scholastic (NZ), Templar (UK), and Egmont (UK). His work can also be found in magazines, advertisements, and packaging worldwide. He happily lives with his beautiful wife, Karen, and their two boys, Ollie and Rhys.

I bought this book as a gift for my cousin (age 8) as a birthday present, and he absolutely loved me reading Morty's big adventure to him. He especially loved the bright colors of the illustrations and the funny dialogue of the characters. The book teaches children to ask questions about themselves and their world while instilling in them the drive to persevere despite adversity. This is a great book that will make reading fun for children, and I highly recommend getting this for the young child in your life!

This arrived in the mail two days ago and has already gotten loads of laughter from my niece and nephew, aged 4 and 7. It's definitely given me a boost in the favorite aunt department! Great illustrations and fun story. Would definitely recommend!

I got this as a gift for a preschool-aged family member and it was a big hit! He loved the humor and his parents and big brother thought it was really funny too. Definitely a good buy!

I laughed and cried. A delight for children and adults alike! Truly loved joining Morty on all of his adventures as he attempts to solve one of life's great mysteries. And what an ending!

The irreverent humor and cute drawings will appeal to 4-7 year olds. My nephews thought it was hilarious. Get one for your favorite kid--and join the ranks of hippest relative.

Love the book! I got one for my daughter and she thinks it's hilarious (disclaimer: she loves butts and farts so her amusement wasn't a surprise :)). If you're looking for a new book for your child, I would definitely recommend this one. I recently purchased another copy as a Christmas gift for a penguin lover.

As a student nurse (currently in pediatrics rotation with the kiddos) and babysitter, I am always looking for fun books to keep kids (and myself) entertained. *Where Is My Butt* is a great book with beautiful illustrations and a creative storyline that both kids and adults can enjoy, and the story is one that will keep kids entertained beyond the first read. This is a great book to promote body

awareness, and includes humor! Proof: the kids I babysit for love this book and have asked for their own copy to keep!

Hysterical book! My nephew and students love it when I read it to them.
