# Small Animal Dentistry

## Synopsis

This clinical reference for veterinarians is a comprehensive work on the diagnosis, treatment and management of dental disease and problems in dogs and cats. Home care for clients and the marketing of dental services by the practitioner are also covered. The inclusion of extensive procedure illustrations aims to make this book a comprehensive guide to diagnosis, treatment and management of dental disease in dogs and cats. All dental specialities are covered to the appropriate degree, with emphasis on oral surgery.

good

A very good book, so many pictures, all well explained. A little book, ease to take to anyplace, easy to read.
