Customer Reviews

The Miracles of Chanukah Then & Now is an anthology of true stories retold to capture the spirit of the Jewish holiday of Chanukah. Some stories relate the historical events of Chanukah from Midrashim and other sources; others are stories from recent times connected to the holiday. From the tale of a mother's seven sons who all refused to bow down before an idol and were executed for their loyalty to G-d, to a tale of Jewish concentration camp prisoners during World War II who dared to improvise a Chanukah menorah in spite of the risks, the stories often tell of persecution and violence against the Jewish people - but also of solidarity, faith in Hashem, and the holiness of pledging one's life to serve Him. The text is sufficiently detailed that younger children may need some help in reading these inspirational stories. The Miracles of Chanukah Then & Now lives up to its title and is an excellent supplement for teaching Jewish people more about this holiday, their faith, their heritage, and that one's freedom to worship should never be taken for granted. Also highly recommended from Feldheim Publishers is "The Family Chanukah Book", a compendium of stories, games, brain-teasing puzzles and activities in the spirit of the Chanukah holiday.
