Phasma (Star Wars): Journey To Star Wars: The Last Jedi

Synopsis

Discover Captain Phasma's mysterious history in this "Journey to Star Wars: The Last Jedi" novel. One of the most cunning and merciless officers of the First Order, Captain Phasma commands the favor of her superiors, the respect of her peers, and the terror of her enemies. But for all her renown, Phasma remains as virtually unknown as the impassive expression on her gleaming chrome helmet. Now, an adversary is bent on unearthing her mysterious origins and exposing a secret she guards as zealously and ruthlessly as she serves her masters. Deep inside the Battlecruiser Absolution, a captured Resistance spy endures brutal interrogation at the hands of a crimson-armored stormtrooper Cardinal. But the information he desires has nothing to do with the Resistance or its covert operations against the First Order. What the mysterious stormtrooper wants is Phasma's past and with it whatever long-buried scandal, treachery, or private demons he can wield against the hated rival who threatens his own power and privilege in the ranks of the First Order. His prisoner has what Cardinal so desperately seeks, but she won't surrender it easily. As she wages a painstaking war of wills with her captor, bargaining for her life in exchange for every precious revelation, the spellbinding chronicle of the inscrutable Phasma unfolds. But this knowledge may prove more than just dangerous once Cardinal possesses it and once his adversary unleashes the full measure of her fury.

Delilah S. Dawson is the writer of the *Blud* series, the *Shadow* series (as Lila Bowen), *Servants of the Storm*, *Hit*, *Strike*, and a variety of short stories and comics. Phasma is a one-of-a-kind thrill ride from start to finish. Reading previous works by Delilah Dawson was enough to get me to buy this book. However, I did not anticipate loving the characters to this level. The writing is so captivating that you feel like you are there, in danger, needing to dodge blaster fire and psychological warfare. Far from your typical Stormtrooper, *Phasma* has such a compelling, intricately woven tale. You're going to want to learn more and this book will deliver it to you. Three things stand out from the new *Star Wars* trilogy. Rey and her relationship with everyone else, Poe's bromance with Finn, and a named Stormtrooper Captain who not only kicks ass but is a woman to boot. It's so refreshing to see more and more diversity in the *Star Wars* universe. I love that *Star Wars* gave *Phasma* a backstory, and I love how Delilah was able to draw us further into that universe through a point of view we have never seen before. If you're a fan of *Star Wars*, you're going to love this book. If you're a fan of good writing, you're going to love this book. Do yourself a favor, pick up *Phasma* and prepare for one of the most entertaining eight hours of your life.
