This was the best English-Spanish dictionary for many years, though it is somewhat outdated now being an identical reprint of my dog-eared 1991 version. Nevertheless, it remains a useful tool when I'm unable to access WordReference.com or similar online tools.

I think Bantam dictionaries are great, with lots of phrasing assistance with verbs and adjectives. Discovered them a decade ago, and I haven't found a modern replacement yet. Gives you a sense of the variability in the language, and possibly prevents making literal translation errors so common to US students. They really pack in a lot of useful stuff!

I was a French major, and quickly learned that Bantam makes the best English/French language dictionary. Superior listing of idioms, as well as containing a lot more words than most similar products, are its principal strengths. The same is true of the Spanish/English version. I tried two others before learning of the Bantam edition. Hands down, the best student dictionary.

This Bantam Spanish and English Dictionary is great for learning how to translate English into Spanish . It has the basics and much much more . This dictionary is very useful to use in a class and even in everyday life. I would recommend this edition. Was also delivered on a timely manner and is was cost effective !

quick shipping and is what my daughter needed

Es el mejor diccionario que he tenido en mi vida.

Fantastic!

I ordered this dictionary for my son who is in the 6th grade. It has helped him a lot, with his spanish. It arrived in a timely matter, and is one of the best translations I have seen.
