Philadelphia, Wilmington And Baltimore Railroad Guide: Containing A Description Of The Scenery, Rivers, Towns, Villages, And Objects Of Interest Along ... Historical Sketches, Legends, &c. ...

Synopsis

This book was originally published prior to 1923, and represents a reproduction of an important historical work, maintaining the same format as the original work. While some publishers have opted to apply OCR (optical character recognition) technology to the process, we believe this leads to sub-optimal results (frequent typographical errors, strange characters and confusing formatting) and does not adequately preserve the historical character of the original artifact. We believe this work is culturally important in its original archival form. While we strive to adequately clean and digitally enhance the original work, there are occasionally instances where imperfections such as blurred or missing pages, poor pictures or errant marks may have been introduced due to either the quality of the original work or the scanning process itself. Despite these occasional imperfections, we have brought it back into print as part of our ongoing global book preservation commitment, providing customers with access to the best possible historical reprints. We appreciate your understanding of these occasional imperfections, and sincerely hope you enjoy seeing the book in a format as close as possible to that intended by the original publisher.

Book Information

Paperback: 182 pages

Publisher: Ulan Press (August 31, 2012)

Language: English

ASIN: B009QT8DQY

Product Dimensions: 7.5 x 0.4 x 10 inches

Shipping Weight: 15.7 ounces

Average Customer Review: 4.0 out of 5 stars 1 customer review

Best Sellers Rank: #15,161,443 in Books (See Top 100 in Books) #50 in [Books > Travel >](#)

[United States > North Carolina > Wilmington](#) #225 in [Books > Travel > United States >](#)

[Maryland > Baltimore](#) #492 in [Books > Travel > United States > Pennsylvania > Philadelphia](#)

Customer Reviews

The book itself is a photocopy of the original of long ago. It will appeal to any fan of Railroads. But for me, the appeal and reason I purchased it lay elsewhere. My Great Great Grandfather's regiment was assigned guard duty for this Railroad during the later part of the Civil War, in 1864-5. So I found it particularly interesting, although the guarding of it is not discussed. Anyway, it let me have a better understanding of his contribution to holding America together. The book is detailed enough to follow on Google maps and trace what remains of the old line and where it has become part of the modern

RR. I believe someday I will travel alongside it and get a better feel for what my ancestor experienced.
