Summer In Good Hope (A Good Hope Novel Book 2)

Synopsis

A widow at twenty-six, Primrose Bloom returns to idyllic Good Hope, Wisconsin, with her two rambunctious young boys, seeking the beauty of the lakeside landscape and the comfort of home. After the loss of her husband and her job, all she's looking for is peace. Prim is resolved not to date again until her boys are in college, but her will starts crumbling whenever she's around her former high school debate partner, Max Brody who just happens to live in the charming cottage next door. Max has reservations of his own about giving love a second chance and is determined to keep his distance. But when the two pair up to work on the town's Fourth of July celebration, the fireworks over Green Bay aren't the only sparks flying. Are Prim and the small-town boy she left behind perfectly wrong for each other or perfectly right?

Customer Reviews

I first came across Cindy Kirk when a friend gave me the book Christmas in Good Hope. I loved it! So when an opportunity opened up for me to read an advance copy of Summer of Good Hope I jumped on it. Primrose Bloom lost her husband two years ago. Left to raise her twin boys on her

own, she decides to return to her hometown. It's here she once again connects with Max Brody. The two of them had once been close. They end up working together on the Fourth of July parade which means they have to see each other regularly. It's difficult fighting their attraction to one another but Prim doesn't want to get involved with anyone until the boys are old enough to be on their own and Max refuses to get involved with someone whose heart isn't free. Prim still has her dead husband's ashes in an urn on her mantle. I loved these two! They were perfect for each other. Max was wonderful with the twins. They didn't remember much about their dad and are drawn to Max. He plays catch with them and tells them bedtime stories and he's always there for Prim. When a series of burglaries occur in their neighborhood, he is the one who protects her. I also enjoyed the family dynamics in the story. Prim's sisters play a part as do her in-laws. Because Prim's husband was born with cystic fibrosis, his parents doted on him. His death hit them especially hard. As such, Prim's mother-in-law resents Max's presence in Prim's life and tries to come between them. This was a simple read that kept me turning the pages. I hated to see it end. Hopefully we'll see more of these characters in future books. If you're looking for one of those heartwarming stories that leave you feeling good at the end then this one is definitely for you! I received an ARC of this story in exchange for a fair and honest review.

I am not a fan of Romance Novels as they all seem to be the same and I would definitely call this a Romance Novel. This one was no better or worse than others. Nothing special about it. But what I did enjoy was that it was set in a fictional town in Door County, Wisconsin which is a favorite place of mine. It was a mindless summer beach read (or in this case a "Lake" read) which certainly serves a lovely purpose for me. So, yes, I enjoyed it but I never felt attached to the characters and thought the outcomes were predictable.

I was playing a bit of catch up in the first few pages. You can read this book without reading the first one. The trouble is, if you've read the first one a little while ago, it will take a few chapters to once again get acquainted with the characters. The book is chick lit at its best. I love that the author doesn't pretend to write something serious. This is a simple story that leaves you feeling warm inside. I loved it and can't wait to read the next one!

A wonderful continuation of the Bloom Family and their wonderful friends in the town of Good Hope. The story is well-written, and allows the reader to slip into another place and enjoy themselves, like being on a mind-vacation! The author continues to provide brain candy for the soul! A great book to

share with friends, when you're finished.

Another sweet romantic story about a couple finally getting their happily ever after. I really enjoyed Max and Prim's story. Heartfelt read

Love Cindy Kirk's happily ever after stories. Especially learning from mistakes. Love family oriented stories where they do things together, stand by each other. Love the town.

Loved the book and can't wait for the third book to be released. Easy read. Flowed quickly. Love this author

I enjoyed all 4 Good Hope novels. Light reading all with a happy ending. Perfect for the romance lover.
