Love At First Beep (Wall - E Step Into Reading Step 2)

Synopsis

WALL-E IS THE last trash-collecting and trash-condensing robot on Earth. When he encounters EVE, a probe robot sent to evaluate signs of vegetation, his lonely life suddenly changes and he falls in love. Can this robot romance survive? Find out in this Step 2 reader, based on the Disney-Pixar movie, WALL-E.

Product Dimensions: 6 x 0.1 x 9 inches

Shipping Weight: 1.6 ounces (View shipping rates and policies)

Average Customer Review: 4.3 out of 5 stars 31 customer reviews

Best Sellers Rank: #178,125 in Books (See Top 100 in Books) #96 in [Books > Children's Books > Science Fiction & Fantasy > Science Fiction > Robots](#) #2391 in [Books > Children's Books > Literature & Fiction > Chapter Books & Readers > Beginner Readers](#) #4053 in [Books > Children's Books > Science Fiction & Fantasy > Fantasy & Magic](#)

Age Range: 5 - 8 years

Grade Level: Kindergarten - 3

Customer Reviews

My daughter is 5 years old and is a little behind in her reading. We live in Japan, and she is excelling in Japanese reading and writing skills, but her English is lagging a little bit behind. I have bought a lot of readers to compensate and read with her at night, and out of all of them, we both really enjoy Wall-E, Love at First Beep. The story mostly follows what we saw in the movie (although it is considered old now, my kids watched it for the first time last month, so it's still new to them), with one big exception, there is no villain. This keeps the story soft and cute, perfect for my daughter who appreciates those attributes in a character. Also because the story is one of love and friendship, my daughter is reading words that are positive to her development, not words that promote negative imagery. Lastly I have to say I love the illustrations. Rough, and made of a mishmash of different shapes and earth tones, the illustrations' colors are muted. There is a feel that

the illustrations themselves are created using recycled paper, which matches the message of Wall-E very well. Overall, a satisfying addition to the books my daughter is using to become a better reader. We highly recommend this book!

Was somewhat disappointed in this book. My grandson got Wall- e and I thought this would be a great gift to go along w it because he lives to read. But the story is not really very exciting.

Nicely done story and illustrations, but book fell apart right away

Perfect book for my little Wall-e fan. A majority of this story takes place on earth (Eve blasting at Wall-e, wall-e showing Eve his treasures, Eve shutting down, wall-e taking care of Eve), a couple pages on the Axiom (Eve sees the recording of wall-e taking care of her, realizing love), then back to earth (and finally holding hands).

I bought this for my grand kids to read, it was thinking it was a hard cover book, after receiving it I was disappointed. The book turn out to be a thin paperback.

Perfect for beginning readers

Ha! Funny book. Based on the movie. Very cute. Daughter loves it. "Wally cubes up."

This book is nice and short but has a sweet storyline.
