Michael Howard has studied secret societies since 1964 and is an expert on Anglo-Saxon runes. He is the author of more than 20 books, including Traditional Folk Remedies and The Wisdom of the Runes. He lives in Devon, England.

Wonderful color photographs. Easy to read text. Highly recommend. LOTS of Vibrant color photographs! That's what I like to see in an art book:)

We saw this book at the Van Gogh Museum in Amsterdam and loved the exhibit so much that we bought the book on for much less than the museum. The book describes Van Gogh's story which is so touching and his paintings are just astounding. The book really does him justice. I bought it for my son who loves to paint and has had mental challenges in his life.

I was looking for a book on Van Gogh, hoping it would be well written and containing photos of Van Gogh's artwork that I have not seen in the many books on Van Gogh I have read in the past. This book has far exceeded my hopes! Excellently written with many, many wonderful photos of Van

Gogh's artwork I have never seen , which really gives me a greater appreciation of Van Gogh's versatility ! All I can say is kudos to Michael Howard and Lorenz Books !

Excellent quality of print. Hardcover, almost all of the major works of Van Gogh are in the book in great color and detail. Recommended

My wife is a Van Gogh fan. She was always finding references to paintings she did not know. I got her this book and she keeps it beside her on the couch. She is pleased, ergo, I am pleased. Well done book. Great fit and finish. Highly recommend.
