Great patterns, good instructions and very good "how to" photos. I am making the Animal Bowling set. Way cute! I used Sugar and Cream cotton yarn and an "F" hook instead of the thinner yarn the pattern calls for. Pins are about 8" tall instead of 5". Pattern works out well. I have made other bowling pins and had trouble convincing them to stand up. The unique bottom technique is fabulous. They stand up quite well. This book is a winner.

Love the patterns but the book fell apart. Pages were coming off at the seam. Hardcover might be better. Price was high for this book.

Beautifully illustrated with good step by step instructions.

Lovely patterns. Looking forward to crafting a number of these lovely little creatures for mu

grand-children.

The crochet patterns are mostly simple. Great for beginners. It came in a simple 11x13 package. I would have preferred bubble wrap.

Such a cute book love it .

Cute, cute!

My first choice was the sun....so cheery.
