## Customer Reviews

Not as funny that I expected, but somewhat funny

worst jokes I have ever heard

purchased this for a fathers day gift for my boyfriends dad. The man loves to tell jokes and I know

this will be his pocket bible he will have with at morning coffee with the guys!

I got this as a 'Stocking Stuffer' for my 23 and 31 year olds and they really liked it! They read a lot of the jokes aloud and they were really funny. Definitely worth the money.

I gave this as a gift and it was very well received. The book is well put together; the hardcover gives it a classier feel. Nice book for the educated man with a sense of humor!

Got this for someone as gift and it got lots of laughs. The book sure lives up to it's title.

My husband and I have enjoyed the jokes and read a few together every day. Would recommend if you have a raunchy style of humor!

Got it as a gift but it was funny enough that i picked up another one. Its a good read just to pick up the mood or just for a funny thought.
