Iceland: 101 Awesome Things You Must Do In Iceland: Iceland Travel Guide To The Land Of Fire And Ice. The True Travel Guide From A True Traveler. All You Need To Know About Iceland.

Synopsis

Attention Travelers: You Have found Your Ultimate Travel Guide to Iceland If you are interested in traveling to Iceland, you have come to the right place! Forget about all the other boring Iceland Travel Books. Forget about the lifeless 1000 pages Travel books that are overwhelmed with too much information and impossible to maneuver. Forget about having to carry a giant, heavy 2 pounds travel book. Forget about those non-sense. You need to spend your time enjoying your travel, not maneuvering over a giant heavy travel book! As a true traveler myself who has been exclusively traveling around the world, and as a person who has traveled to Iceland, my only goal for this book is take give you an ultimate list of 101 things you must do in Iceland that you really need to know. There is so much to see and do in Iceland, so it is difficult to know where exactly to start on your journey. In this book, I've curated the best places to see, things to do while visiting Iceland to make your trip to this very special part of the world easier and memorable. After reading this book, you will know exactly what you need to do in Iceland. You will get the most out of your Iceland trip, easily, enjoyably and effortlessly. You know you need this book if you: Interested in Iceland and want to know just about all the fun, the relevant information without bombarding with too much irrelevant all the major travel books out there are giving you. Unsure about if you'll like to visit Iceland and want to find out if it's worth your travel trip and expense. Having a friend who has traveled to Iceland and it's really annoying to hear them constantly bragging about how cool it is Just looking around for the next travel suggestion Just looking for a good read about the most beautiful place on earth with the most interesting culture Any other reason you could think of, this book is still for you :) Let the real traveler show you what Iceland have to offer. Let the real traveler who traveled to Iceland many times be your personal tour guide. With this book, you will never get bored in Iceland. Pick up this book, and welcome to Iceland!

Customer Reviews

It did list a few nice things to do but it would have been better if it was payed out by area. That is the best way to explore Iceland

This book is full of great advice for how to make the most of a trip to Iceland. His writing catches your imagination quickly and well. Through the entire book I kept wishing for PICTURES! His descriptions of the Northern Lights, national parks, waterfalls, volcanos and local sites and activities kept me engaged and curious. I found myself searching YouTube for videos of the things he described. Since my husband's family originated from Viking ancestry, Iceland has been a dream of ours for a long while. The dream is getting stronger!

This is a great little "to-do list" book. A quick read and not boring at all. Easily skim through the different chapters to find what types of stuff interests you and then individual destinations are quickly distinguishable with enough information to help you make a decision on whether you'd want to see it without too much description to drag it out. Very well done.

I will be on cruise to Norway and Iceland in late July and early august. After reading this book I am eagerly looking forward to my visit to Iceland. Mr. Hall's writing was exciting a with a passion for the country and its culture and history.

I loved all of the information in the book. It has me really excited to go to Iceland. Here are my suggestions, if possible. 1. Include more pictures in the book. It would be nice to see the different falls etc. 2. Include a map of Iceland that shows where the places are. That will help with itinerary.

Awesome book for a friend! Equally awesome seller.

Useless book. No details, just general statements.

While the title of this book sounds interesting, it has no detail and is very uninformative as a travel

book. I would recommend other more detailed books if you are planning to actually visit the island.
