# Demons At Deadnight: A Paranormal Urban Fantasy Romance Thriller (Divinicus Nex Chronicles Series Book 1)

## Synopsis

THE #1 Bestselling Series and Night Owl Review 5 STAR TOP PICK with nearly 6,000 5-Star reviews on Goodreads! Paranormal urban fantasy at it&apos;s best, featuring the FAN FAVORITE SEXY HEX BOYS!! Ã Â It&apos;s a thrill ride you won&apos;t be able to put down!Ã Â Full of action, adventure, mystery, suspense, romance, demons, twists and turns, hot Hex Boys,Ã Â a heroine full of sass and snark,Ã Â and laugh out loud humor that makes this series irresistible! Perfect for fans of Cassandra Clare, Jennifer L. Armentrout, Jaymin Eve, and Jane Washington. For seventeen-year-old Aurora Lahey, survival is a lifestyle. DEMONIC DESTINY Aurora has the crappiest superpower on the planet. And it&apos;s just unleashed a hit squad from hell. Demons are on the hunt, salivating to carve her carcass into confetti. CHARISMATIC KILLERS The Hex Boys--mysterious, hunky, and notorious for their trails of destruction--have the answers Aurora needs to survive. But their overload of deadly secrets and suspicious motives makes trusting them a potentially fatal move. LETHAL ALLIES The battle to save her family, herself, and stop demonic domination may cost Aurora everything worth living for, and force her to reveal her own dark secrets. But no worries. She needs the Hex Boys to pull this off, and, chances are, teaming up with these guys will get her killed anyway.Ã Â -----Ã Â DON&apos;t MISS Book 2 and 3 in the series - DROP DEAD DEMONS and DEMONS IN DISGUISE. ## Customer Reviews

First things first, I love the length of these books. This one a solid 429 pages! Yay! In a world where most novels or series are a measly

Wow. This story is action-packed. Almost too much action, but still a really good read. I liked the snarky heroine and the Hex boys. There is mention that the heroine has a large family, but they hardly make an appearance, so I wonder why the authors even included it in the storyline since she has very little interaction with her parents or siblings. It was never really explained why she didn't tell her parents or family (not even her sister(s)) about her supernatural talents. It seems odd that she didn't share it with anyone. I mean when it first started happening, you'd think she'd rush to tell her family because realistically, you'd think you were going crazy. And she never mentions if she had any friends or even a best friend at her old school, and she doesn't make any new friends (besides the Hex boys) at her new school. Not one female friend, which seems odd for a teen girl. Some of the dialogue punctuation and tags were incorrect, but didn't distract too much from the storyline. There are quite a few funny lines that made me smile. I only wish there was a bit more characterization and romance...

I am writing this with mixed feelings. I really enjoyed the story and characters, but I cannot express how distracting the writing style is. I'm convinced I would really like the author if I met them in person. It's clear that they write the way they think (sarcastically and hurriedly). There are a lot of thoughts that go onto the page, but they aren't necessarily cohesive, which was very distracting for most of the novel. I enjoyed the hell out of the characters, especially Ayden, and thought Aurora was a fun, fiery heroine. My only star removed was for two things. The first is that Ayden/Aurora

were a bit unbelievable as a couple. It happened very quickly, there was very little buildup to their romance, and Ayden was a little stalkerish (reminiscent of twilight.. : / ). The second was the odd writing/pacing I mentioned above. Overall, a fun paranormal/romance story with plenty of laughs.

(RabidReads.com) This is one of those books, the ones that you know the minute you start them that you are going both love, and not be able to put down. Thanks to Melissa at Books and Things, for the recommendation. Demons have never been a favorite paranormal premise for me, but this one is not to be missed. This read starts out with a bang and never lets up- well except for some romance and snarky moments. Aurora sees demons, and has no idea why. She's seventeen and has recently moved back to a town she lived in as a child. Moved, due to her being attacked and almost killed, so her parents want her to feel safer. She comes from a happy and close knit family of seven, a family that has no idea what is up with Aurora. She doesn't tell them due to being afraid of being put in an asylum. And that's because this town is infested with demons and they are all out to kill her- and who would believe her? When she meets Ayden and Tristan, two gorgeous guys around her age, after fighting off a particularly scary demon, her life completely changes. They have four friends, Blake, Logan, Mathias, and Jayden (twin to Ayden). Each guy has his own separate power to fight demons and they all start protecting Aurora- well Mathias is a bit late to that, as he and Aurora do not get along. They don't understand why Aurora is being singled out. After overhearing some demon hunter conversations and hearing herself called by another name by the demons, Aurora figures it out. She is something that the guys are all supposed to be looking for, to hand over to the agency they work for. An agency that has no intentions of ever letting her go. Aurora has no intentions of that happening, so she's not telling anyone- least of all the boys. This story is told in the first person, and for me it really worked. Aurora's snarky mind was hilarious and kept me either smiling or laughing right out loud. The guys, otherwise known in town as the Hex Boys, were all fully realized by the author. I appreciated that, because sometimes a group of characters can be interchangeable and I can't keep them straight, but these boys each have a personality that won't quit. Ayden in particular, and he and Aurora pretty much are a "thing" although Aurora isn't at all sure if it's not a pretend girlfriend thing- which is what their cover story is for spending so much time together. That being said, their chemistry together is pretty much off the charts, keeping in mind that this is a young adult read. I started looking for quotes to include because the banter is so fun and Aurora's mind is so snarky- especially about her own

actions-but I realized that you can look pretty much on any page and find something funny.

That's a rare book in the urban fantasy world that you can say that about. Sure some are really fun reads and have their funny(and snarky) moments, but this one ups that at least a notch, at least it did for me.In the end, I decided that this series is going on my list of all around great urban fantasy for young adults-not that I have one-but if I did, it would be there. Lots of action, romance, great characters, and it all came together in a wonderful read. I would highly recommend this to young adults ages 15+, adults that enjoy urban fantasy, and even to young adult paranormal romance fans who will find a lot to like about this read as well.
