Easier English For Dyslexics 11: R, UR, OW / OU, OI / OY

Synopsis

Read / Spell...Better...Faster Pictures for Easier Letter-Sound Recall The Easier English for Dyslexics series is a visual aid to decrease learning time, enhance retrieval and increase retention of letters and sounds. This imaginative memory system includes pictures, colors, silly phrases and repetition to aid recall of the English sound code. Easier English for Dyslexics 11 focuses on the sounds and spelling patterns of OW/OU vowel, OI/OY vowel and UR vowel as well as the letter R and how it affects vowel sounds. We'll look at words like car and war where the letter R changes the vowel sound. At the end of this book are some words with the letter R that are homophones, words that sound the same but are spelled differently (bear and bare). The purpose of these few examples is to show that the same sound patterns can be different spelling patterns. Just what you need The 17 short ebooks in Easier English for Dyslexics focus on building phonological awareness, a key reading skill. Though designed for older dyslexics, the series could be adapted for use by younger children or for English as a Second Language students. Your child may not need to study all 17 ebooks. Use just what you need. You don't need training to use these ebooks. You only have to be willing to explore the sounds in words. Simple to use Easier English for Dyslexics is filled with sound puzzles to encourage your child to apply his or her new knowledge. Review books are also included. Dyslexics often have to review the same material in different ways to master it. You'll find these family friendly materials simple to use. As you and your child connect the sounds of English to the letters, you'll both learn patterns that make English much easier to read and spell. Help is on the way Scroll up to get your copy today and see how daily review of Easier English for Dyslexics can help your child improve.
