Shipping Weight: 5.3 ounces

Average Customer Review: 3.8 out of 5 stars 4 customer reviews

Best Sellers Rank: #4,788,952 in Books (See Top 100 in Books) #45 in [Books > Travel > Africa > Democratic Republic of Congo](#) #783 in [Books > Reference > Etiquette > Conversation](#) #2558 in [Books > Travel > Reference > Phrasebooks](#)

Customer Reviews

Text: English

My native Lingala speaking cousins have perused the book; there are several words in there that they don't even know b/c the modern day language is such a combination of french/Lingala. Good start, though.

This is the only dictionary and phrasebook on the Lingala language. Curious about the language I bought this book to familiarize myself with some vocabulary as I am interested in the culture of the Congo. This compact dictionary is better than what I thought it would be. It really is very useful for anyone that is willing to make a trip into the Congo River region of the former Zaire. Lingala is the language that is spoken by residents all along the Congo River and in the Congolese capital city of Kinshasa. There are many useful and basic phrases to communicate with locals and make your trip into the region easier. This book contains anywhere from food and accommodation to phrases in making intelligible conversation. Pronunciation guide is available inside as well as a good dictionary of common and useful terms. A definite must have for anyone interested in this exotic

language.

This is my third book on learning lingala. This has been the best so far...It has a good dictionary in which my husband (a native speaker) has verified its accuracy. And it has the most useful phrase list that I have yet to see.

the print quality leaves much to be desired. It looks like a bounded manuscript. OTHERWISE its a good intro. book.
