

Synopsis

For more than twenty-five years, The Student Bible Atlas has been a trusted companion for Bible students of all ages and interests. Clear, concise, colorful, and priced for any budget, there are nearly 100,000 copies in print! All of the best features of The Student Bible Atlas are retained in this beautiful new edition. The table of contents remains the same, as does the tone and content. The layout, however, is beautifully redone, with new maps that convey essential information in a crisp, up-to-date way. It's a great atlas, now made even better! The Student Bible Atlas contains thirty maps covering both Old and New Testaments, a helpful index of place names, and a guide to the major archeology sites of the Middle East. The Bible is full of places and journeys: Abraham's epic journey from Ur to the land of Canaan; the Hebrews' journey from slavery in Egypt to the Promised Land; Paul's pioneering series of missionary travels. All these and many more are covered in this invaluable and readily accessible Bible companion.

Tim Dowley is editor of the highly acclaimed and successful *Introduction to the History of Christianity*, now in its second edition (Fortress Press, 2013), and author of *The Christians: An Illustrated History* (2008), and *Christian Music* (Fortress Press, 2011), among many other titles on history of Christianity and the Bible. He has traveled extensively and lives with his wife and three

children in Dulwich, South London, England.

Required for class. Was interesting to see and easy to use

This has been a life saver in our homeschooling experience! What a wonderful resource!

Perfect to go with the mystery of history curriculum.

I bought this to supplement lessons for my teens, and had to buy another one for the adults. It includes maps of earliest biblical times, through the various empires, to the time of Christ, and also includes maps of the spread of the church, the Roman Empire and archeological sites. The maps are clear and well-indexed. It has been everything I have needed.

Yes, it met my expectations so much so that I bought two more for my Summer Bible Study class. They commented how helpful it was to them, too! I hope it never goes out of print. Thanks and blessings....

This has been wonderful for our kids - especially with the Mystery of History curriculum.

This is very helpful to go along with the mystery of history curriculum.

I needed it for a bible class. It worked.
