Customer Reviews

One of the leading authorities on fashion history, Tom Tierney created over 150 paper doll books for Dover Publications. With subjects ranging from U.S. Presidents to popular movie stars, Mr.

Tierney's books are famous for being carefully researched and meticulously rendered. His releases are prized by fashion professionals, collectors, and paper doll lovers all over the world.

Dior, Dior, Dior! It is really cool to be able to look through the fashion history and evolution of the major designers! That's what these Tierney books offer which to me is even cooler than the actual

paper dolls. These books are great fashion inspiration! Bought this one, Chanel, and Yves Saint Laurent as props/decorations for a fashion themed birthday for my fashion designer mom! She really liked them! Didn't use the paper dolls though so the books are still in original condition which she prefers! Great item!

I purchased this product for my daughter as a hobby so this review is mostly based on her feedback: Overall the product is just "OK". The timeliness of the delivery was great and she loved the overall style of the fashions provided in the book, however the quality of the product itself was not up to her standards. The first problem is that the book is very thin for the price so there weren't a lot of cut-out fashions for the money spent. The other problem is that the tabs and cut-out fashions don't properly align w/ the doll-cut-outs so she had to make adjustments (even cutting into the fashions themselves) to make them fit properly. The quality of the paper is good but the other two issues were enough to give this product a 3 vs 4 or 5 star rating.

my grand daughter loves this, she has had many hours of fun and I'm glad she has the chance to play with paper dolls as I did many years ago.

I like the way it illustrates the fashion designs of Dior, the colors are good as well as the descriptions.

Great for ideas for needlepointing.

great

I loved it, but remember when the clothes were in fashion and movies. I got this as a gift for my niece who is a fashion and costume designer. I hope she enjoys them.

Lovely book
