Purchased as a 12 Day XMAS gift for a 10 year old grandson who is interested in cooking and gardening; Lots of good projects to plan for in the Spring and cooking during the winter;

Love this book! My 8 yr old daughter had checked this book out from her school library 5 times in a row because she loved it so much. We decided to buy our own copy. Absolutely love this book. Fun recipes that she can make, great craft ideas, looking forward to trying out several gardening tricks this spring. My daughter loves flipping through the pages to find her next adventure. Highly recommend!
