The Key Ideas Bible Handbook: Understanding And Applying All The Main Concepts Book By Book

Synopsis

Unleash the Power of God's Truth in Your Daily Life From Genesis to Revelation, the Bible is full of life-changing truth. But to fully experience the power of God's Word, you need to go beyond merely knowing the facts and learn how to let them transform you. In this new resource, noted author and biblical scholar Ron Rhodes takes you through each book of the Bible, breaking down complex concepts into practical applications and offering helpful insights for each. For example, key applications found in 1 John include: Our fellowship with God hinges on walking in the light as He is in the light. When we fall into sin and fall out of fellowship with God, confession to God is the remedy that restores our fellowship. When we sin, Jesus is our defense attorney – and He never loses a case in God's court. Our fellowship with God is thereby protected. Word studies, quotes from famous Christians, cross-references, and more are included in every profound chapter to help you dig deeper into each transformational concept. As you put God's key principles into practice, you'll experience more than ever all the benefits the Bible has to offer.

Ron Rhodes (ThD), president of Reasoning from the Scriptures Ministries, is heard regularly on nationwide radio and is the author of *The End Times in Chronological Order*, *The 8 Great Debates of Bible Prophecy*, and *40 Days Through Revelation*. He periodically teaches at Dallas Theological Seminary and several other seminaries.

It arrived today. I have been looking through it and I am highly impressed with the format and the

practical applications of biblical principles on every page. I have many of Ron Rhodes' books. They are always thorough, easy to comprehend, and from a solidly conservative biblical perspective. This book rises to this excellence in all of these aspects! It is going to be a wonderful companion resource for personal Bible study as well as for teaching in my Bible study class.

This book is like an x-ray of the Bible. You can read this book to learn more about the Bible or to gain a fundamental understanding of it. Regardless of your motive, you must ultimately study the Bible to put flesh on the bones you saw while reading this book!

EXCELLENT BOOK, WE ARE USING IT IN OUR BIBLE CLASSES...

Brief and perfect for me to grasp.....

This is a reference book that gives an overview and some practical applications of each of the 66 books of the Bible. I have used it for two of the 66 (Hebrews and Jude). I love it so far.

Great book

Excellent. I recommend any book from this author.

excellent
