Customer Reviews

Great book

I love juicing and the recipes in this book are delicious

Easy to follow

juicing everyday

Even if you aren't committed to an all-juice diet, some of these recipes make pretty good drinks.

There are some that are too much vegetable for me and that I stay away from, but there are some that taste great - blueberry apple juice, for example. I'm not turning my whole diet into juicing, but most of these are so good they'll definitely be incorporated into my meals as regular drinks. Great recipes if you want to get creative, and they've helped me a lot with cutting sodas out of my diet.

love it

Very pleasant experience
