THE HITMAN'S CHILD: A Dark Bad Boy Baby Romance

Synopsis

She can have her choice: my baby in her belly, or my bullet in her brain. My clients want people dead. And if this man is to be believed, his ex-wife deserves her fate more than most. But I'm not so sure. Maybe she's earned the sweet kiss of death. Or maybe all she needs is a hard, sweaty f*ck. She thought she was finally safe. But she didn't know that I was coming to kill her. It was nothing personal. I'm a hitman, not a judge or jury. I don't ask questions. I just pull the trigger and hide the bodies. But there's something different about this one. Something innocent. Something pure. Is she really the monster her husband claims she is? Or is there another story hidden behind those pretty eyes? Only one way to know for sure: Force her to her knees and spread that mouth wide open. THE HITMAN'S CHILD is a full-length, standalone bad boy baby heist romance that features hot sex and violence. This edition comes with two additional bonus novels, COMPLETELY FREE, as a thank you to my readers! Enjoy!

Hunter is contracted by Jeremy to kill his ex-wife Vanessa, only instead of killing her, he falls in love with her. Good read - lots of action, plots twists, suspense, and romance!

Vanessa was married to Avery abusive man. She stayed in the marriage because she wanted her daughter Opal to have a family. That all changed when Jeremy hit his daughter. Vanessa left and divorced him. She took her daughter on the run to save their lives. Hunter is a hitman. Jeremy came to him to hire him to kill Vanessa and get Opal back. Hunter doesn't kill women. Jeremy convinced him that Vanessa was beating Opal. Hunter was beaten by both his parents when he was young. He took the job. He was watching Vanessa and Opal when a car was driving out of control headed for Opal. He saved Opal's life. He followed them to a fair and won a stuffed bear for Opal. He was beginning to think that Jeremy lied to him. Each time he encountered Opal and Vanessa he was more sure that Vanessa was not abusing Opal. Jeremy sent more men after Vanessa and Opal. They kidnapped Vanessa and Opal. Can Hunter get there in time to save them? What will happen to Jeremy? Will Vanessa, Opal and Hunter be together? I voluntarily reviewed an Advance Reader Copy of this book.

I reviewed this book as part of an arc program. I really enjoyed this book, it was fast paced and there was a lot of action along with great chemistry between Hunter and Victoria. Hunter is a hit man who was hired to find and kill Victoria and return her daughter Opal to her ex-husband Jeremy. When Hunter finds them, he quickly learns Victoria is on the run from Jeremy and he was an abuser who beat both Victoria and Opal. Hunter is a hit man with a conscience and believes in only killing someone deserving. Hunter gets close to Victoria and Opal and decides to protect them from Jeremy, but it not easy as danger is everywhere and they don't know who to trust and where to turn. This was a fast paced book that had a few twists and turns. I really enjoyed this one, good read.

I loved this book. Nicole Fox has written another amazing book. I have never been disappointed by Nicole's books. In this one you have Vanessa who has endured mental, sexual and physical abuse from her husband Jeremy. When Jeremy hits their daughter Opal, Vanessa flees with Opal and divorces Jeremy. Jeremy decides to hire a hitman Hunter. Hunter tells Jeremy that he doesn't kill women but Jeremy gives Hunter a story that makes Vanessa look like the abuser. Hunter then agrees and sets out to find her and Opal. What he finds is that Jeremy has lied to him. Hunter gets close to Vanessa and starts falling in love with her. Can he change for Vanessa, does he go through with the hit or can he protect her and Opal from Jeremy? I received this book as an ARC copy for a
