## Customer Reviews

Hanna Karlzon is an Umeå, Sweden-based illustrator and creator of the best-selling coloring books, Dagdrömmar and Sommarnatt, previously published in Sweden. She creates elaborately detailed images using India ink to detail pictures from her own imagination and loves to draw flowers, forests, houses, and animals. She draws her inspiration from the natural world that surrounds her studio in northern Sweden and adds in some art nouveau, punk rock, and often a hint of 70s design to the mix.

This is the second Hanna Karlzon book I've purchased and the first one to have nice high quality paper! From other reviews I now know I purchased a dreaded second edition the first time. This one is amazing!

I love this book! Great paper, great images! This my second copy of this book, I love it that much!

incredible this is the 14th coloring book I have done so far it is wonderful and so creative

Well worth buying. Beautiful

Very good quality and the pictures are very unique. Enjoyable to color.

The most beautiful coloring book I own. I use gel pens on this and it is stunning, the pens do not bleed thru and plus there is no ghosting. Great quality and amazing artwork. I will get more books by this person.

Lovely book inside and out. I plan on eventually buying them all.

Magical Dawn is a reprint of Magisk Gryning, in Hanna Karlzon's home country of Sweden. This is printed on the same quality paper. I pre-ordered this book months ago and the wait was well worth it! Hanna Karlzon's books are all excellent books. The quality of the paper, and the design of the book, hard-covered, makes it a true gem to have in any colorists library. Another thing that I like about her books, is that they have over 90 pages of coloring. Imagine that! You have quality, price, and amazing content, which together makes Magical Dawn a completely fantastic book. I had to color at least one picture immediately,
