## Customer Reviews

"Pure Love" is the result of countless interactions between Jason Evert and teenagers during seminars on chastity. As a result, this small booklet is the ideal complement to courses of instruction on human sexuality. Rich with scriptural reference, this booklet is in total compliance with the teachings of the Catholic Church. Parish youth ministers, directors of religious education, and teachers in Catholic schools will all benefit from its use. It will enable them to engage, involve, and inspire their students.

Still in his twenties, Jason Evert speaks internationally to more than 100,000 junior high, high school, and college students each year about God's plan for the gift of sex. He is the author of several books, including "If You Really Loved Me." Evert obtained a masters degree in theology and undergraduate degrees in theology and counseling, with a minor in philosophy, from Franciscan University of Steubenville. He is a staff apologist for Catholic Answers, North America's largest

lay-run Catholic apostolate for apologetics and evangelization.

This book is a clearly written presentation of the value of living chastely. Jason Evert offers logical insights, numerous real-life examples, statistical evidence, and select biblical and papal quotations that illuminate God's plan for human sexuality. An affirming, uplifting, and healing book!

This book explains what real relationships are about. How to have a healthy respectful relationship the way God intended it to be. Society has it backwards. I would call it real love. Real love gives of oneself it doesn't take. Every teenager should read this before he or she starts dating. This book is very understandable.

Best book for singles and teenagers.

Small but very beautiful booklet.

Great book!! Delivered fast.

This book is a great resource for today's youth when discerning relationships in their lives and developing respect for themselves and others in regards to intimacy. Well done Jason!

Excellent read!

This book is awesome. I love the way it relates to everyone and how it leads us to a straight path of love and happiness
