Customer Reviews

I never entertained the idea of making my own soap. Why bother? Until now, I just realized that I have no knowledge as to what chemicals are mixed in those commercial soaps I buy. This book just confirms that we really have to take care of our environment. Creating your own soap is doing the environment a favor. Of course these home-made soaps make perfect gifts for any occasion.

I think this could be the ultimate soap making guide for beginners and imagine that there are ideas for 365 days . This book contain more than hundred soap recipes .This book is dedicated to the new soap makers .every recipes in this book is aren't complex and they teach you how to make simple soap concoctions using safe instructions.You will able to make your own soap after reading this book. Enjoy making a variety of soaps that use non-toxic materials . I need to try every soap in this book . Its very informative book .

So happy I got this book! Now I can go the natural way to cleaning my home and myself. Learning soap making is easy...I look forward to trying the recipes in this book.

Excellent resource!

This book is a fantastic resource for all Soap makers. It gives good, straightforward info and is perfect for learning how to make basic and luxury recipes, how to formulate your own recipes. There's tons of useful information and the author pretty much answers any questions a newbie might have. I'd recommend it to anyone who's serious about soap making.

Good book. Great Book. Lots of valuable information for a new do it yourselfer. I love to learn new things and this is something that I really want to learn more about. I want to stop using chemicals and getting more into natural ingredients.

The book added more of me. It added my skill set, my knowledge and also business. The contents are really interesting all because of the topic of course. The way it is written is very common that even the lay man can understand. Good grabbed.
