## Customer Reviews

“A glorious, improbable artifact; Lucky Peach is not only something to behold, it is also something to hold, a reminder of print’s true wingspan.” —The New York Times  
“A masterpiece of modern-food culture.” —Time  
“The magazine’s tone is so casual it’s almost drunken. Its aesthetic is a graphic pulp pastiche of drawings, photo essays and kitsch; you’ll discover traces of comic books, handwritten script and recipes presented in science-lab format.” —The Wall Street Journal  
“There’s been a sudden growth in magazines for food obsessives eager for more than just recipes. Lucky Peach’s is perhaps the cleverest. A nerdy, witty high-end fan-zine, it makes smart use of Chang’s contacts, with Anthony Bourdain, Harold McGee and Mario Batali among the contributors.” —The Guardian

New York Times restaurant columnist. His writing has appeared in many foreign and domestic magazines, and he has coauthored a handful of books, including the bestselling Momofuku cookbook. He lives in New York City. Chris Ying was the publisher of McSweeney's before he assumed the role of editor in chief of Lucky Peach. Good issue. Covers the conceit that Los Angeles is 'THE' food city in today's America and makes the case for this by covering epicurean delights of the highbrow and lowbrow variety and the boundless ethnic smorgasbord in between. Whether or not you're familiar with the city a lot of ground is covered to enlighten the reader across a range of topics such as the juicing fad, avocados, Thai food and the French Dip sandwich among others

My favourite issue of Lucky Peach so far, hands down. I live in LA so this is just the perfect issue to read from this magazine. A big Thank You to the magazine for really encompassing what Los Angeles really is, down to the little illustrations, to the blurbs, to everything. It's not all about the food, and the magazine did a great job profiling the people and communities that tie food to the city.

The series continues. interesting information, if I ever go to LA.

Always a great read.
